## Shop Local and Put Niagara Falls Under the Tree

### Give the gift of wonder and delight to use when the time is right

The holidays, like travel, are about spending time together and creating new memories. As we head into 2021, gifts of future travel and experiences are on the top of many wish lists. Niagara Falls Tourism's new Holiday Gift Guide showcases creative gift ideas that support local businesses and give your loved ones a gift that builds anticipation and excitement for the new year.

"This year has brought with it many changes in how we live our daily lives and has highlighted the fact that enjoying shared, memorable experiences is incredibly important to everyone," says Janice Thomson, President and CEO at Niagara Falls Tourism. "We're proud to be able to share some outstanding offers from our members and wish readers much happiness reviewing and living the experiences."

The Niagara Falls Holiday Gift Guide will spark ideas for personalized gift experiences to create memories that will last a lifetime. View the guide online at [www.niagarafallstourism.com/giftguide](http://www.niagarafallstourism.com/giftguide) to discover:

ONE WONDER AFTER ANOTHER

- Gifts from local Niagara wine, beer and spirit producers. From award-winning bottles to unique gift sets and wine club subscriptions, the option to ship direct from online shops means you can easily share local drinks with friends and family across the province (and in some cases across Canada).

Many gift certificates and products can be purchased online or over the phone to make it even easier to support local businesses this holiday season. Reach out to businesses to learn about delivery and curbside pickup options, too.
