Niagara Falls Tourism Shares What's Open Starting June 30, 2021 as Step Two of Ontario's Roadmap to Reopen Begins

Following Ontario's announcement that the province will safely enter Step Two of its Roadmap to Reopen on Wednesday, June 30, 2021, Niagara Falls Tourism is sharing what's open plus online resources to help visitors with planning during the province's gradual easing of restrictions.

"We are thrilled to welcome visitors back to the beauty of Niagara Falls and to experience more of the memorable experiences that make Niagara Falls a top holiday hotspot in Canada," said Janice Thomson, President and CEO of Niagara Falls Tourism. "A convenient drive-to destination for many, Niagara Falls is just far enough away for a getaway to explore the great outdoors and fun adventures, delicious meals on scenic patios and relax in a luxurious hotel with a view of the Falls."

"The world-class experiences in Niagara Falls are ready and eager to get back to the business of creating memorable experiences for our guests," said Joel Noden, Chair of Niagara Falls Tourism. "Visitors of all ages can experience the adrenaline-filled adventure or slow it down to connect with nature to recharge and rejuvenate."

During Step Two, Niagara Falls offers world-class accommodation, attractions, outdoor parks and landscaped gardens, a designated nature reserve, scenic hiking trails, golf, cycling trails, outdoor patio dining, birdwatching hotspots, shopping and nearby wine region and farmland to explore beyond the famous waterfalls. Looking ahead, the destination is planning for the reopening of entertainment venues, casinos and indoor attractions.

Visitors are reminded of the ongoing importance of following [public health guidelines](#) for social distancing and wearing face coverings indoors and when maintaining a safe distance outdoors isn't possible. Businesses in Niagara Falls will also continue to make health and safety a priority for visitors and staff as outlined on [SafetoPlay.ca](#), the Niagara Falls tourism industry's commitment to all standards introduced by Provincial and Regional Health Authorities.

The Niagara Falls Tourism website resources are continually updated to offer visitors the perfect place to see what's open and start planning their visit during all steps of reopening.
